

WOODLAND PARK WEEKLY

Sunday, February 5, 2012

God is good all the time; in His time; right on time; just in time because that's His nature. Well Glory! As we enter the second month of 2012, God just keeps on blessing and blessing! Space is becoming a huge issue, so please pray for us as we grow that God will give us wisdom for making decisions to accommodate the growing crowds. It's a wonderful problem, but it is also a great challenge. We so need God's wisdom.

Our Mission Conference will begin in two weeks, and Dr. Crawford Loritts will be our speaker. If you haven't heard him, tune your radio to WMBW at 88.9 FM and listen at 8:00 on Sunday morning as you're getting ready to come to church. You'll be so blessed. Be praying now that God will meet with us in a special way.

If you are visiting with us today, we want to especially welcome you to Woodland Park. We are so glad that God led you to worship with us today. Please take some time to look at the brochure in the seat back in front of you to learn more about us. Complete the form inside so we can get to know you better. There is also a space to share prayer requests. As our staff meets on Tuesday mornings, we will pray for you. Please place the form and/or prayer requests into the offering plate or give it to an usher.

Today we are still looking at "Poise in the Face of Conflict" from 2 Corinthians 10. Isn't it awesome that in any and all conflicts of life, no matter what form they may take, Christ is our strength and our armor! His Word renews our minds and guards our words as we walk through whatever situation that God has for us.

I love each of you,
Wayne

Guests...

We are delighted that you are worshipping with us today! Please take a moment to complete the Guest Response Card (in the Welcome to Woodland Park brochure) located in the chair pockets in front of you. Also, join us in room 138, to the left of the stage area, following each service. Our church leadership will be on hand to visit with you and answer any questions.
